

Important Information

All checks should be made payable to "Pack 11."

Keep Show & Deliver and Take-Order sales separate! Put Show & Deliver on one order form and Take Order sales on a separate order form.

Give a receipt to customers who make a military donation. If you run out, more are available on our Web site: www.wickliffepack11.org.

Be responsible for the popcorn you pick up for Show & Deliver! Please don't leave it in your car (it can melt) and protect the tins from getting dented. Return unsold popcorn or money (or a combination) by Sunday, Nov. 8.

NO selling until Sept. 19.

Set a goal of \$250 and go for it! This will cover your annual dues. If your Scout sells more than \$250, a Scout account will be established. See the Pack treasurer for details.

Check our Web site for more FAQs.

If you have loved ones far away, you may sell popcorn online by going to scouts.trails-end.com.
